2024-2025 ASSOCIATE IN APPLIED SCIENCE (A.A.S) AWC ADVISEMENT CHECK SHEET

To help you decide upon which courses to include in both the major and elective blocks, you and your advisor should consult university requirements (<u>aztransfer.com</u>) for specific required and recommended courses. Sign in to your <u>Self-Service Student Planning</u> account to load the recommended program map and to track your academic progress.

FIRE SCIENCE					
Student Name	ID#	Advisor	Major Code: AAS.FIRSC		
			Credits: 60		

Designed for individuals who desire a career in fire science. Beyond being a professional firefighter, the degree will assist in qualifying individuals for related occupations such as building inspector, rescue specialist, and hazardous materials specialist. For the employed firefighter, this degree can be an asset in seeking promotion within fire science.

^{*}Dual Application of Courses is the sharing of coursework between the AGEC and major or program requirements which allows the student to meet both requirements with a single course. Students must still meet the required number of credits to satisfy the program or degree.

List any courses used to satisfy program or degree credits due to dual application and or courses that satisfy the Cultural (C) and Global (G) or Historical (H), or Writing Intensive (WI) awareness areas.				
and Global (G)		Dual App
