The Associate in Arts degree is designed for students who are undecided about a university major. As such, students are asked to complete two steps: 1. complete the AGEC-A and 2. create a block of credits: (to meet the required 60-64 credit program minimum) which are transferable to any of the three public state universities in Arizona; the selection of these courses (numbered 100 or higher) ought to be made in consultation with an academic or faculty advisor and by consulting the Course Equivalency Guide (CEG) ([www.aztransfer.com](http://www.aztransfer.com)). Students should select courses based on exploring various fields of interests.
