

Concurrent Enrollment Program (CEP)

Registered Nurse to Bachelor of Science in Nursing

What is the CEP program?

Take upper division courses during semester breaks while you complete your associate degree.

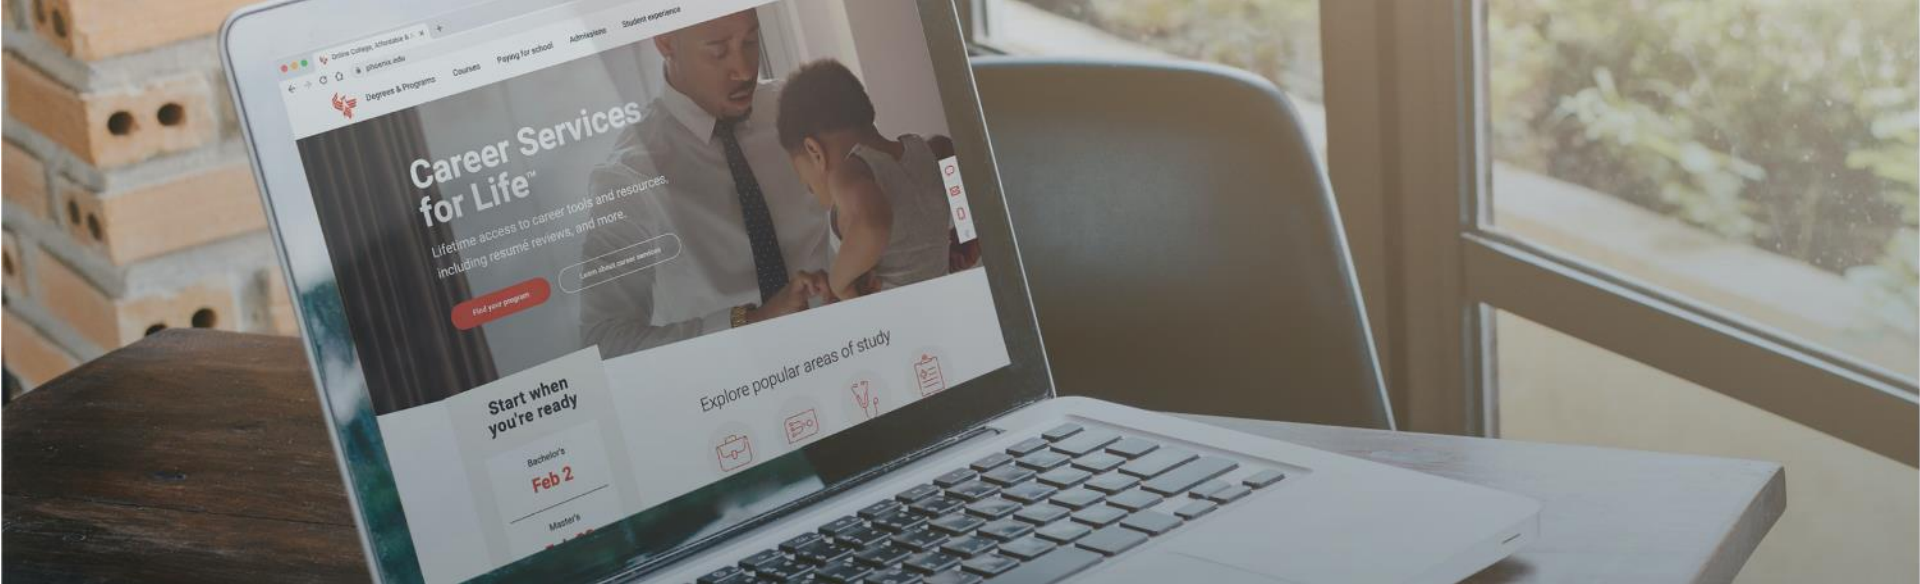

Pass the NCLEX, then after being admitted, easily transfer your associate degree credits into your BSN program.

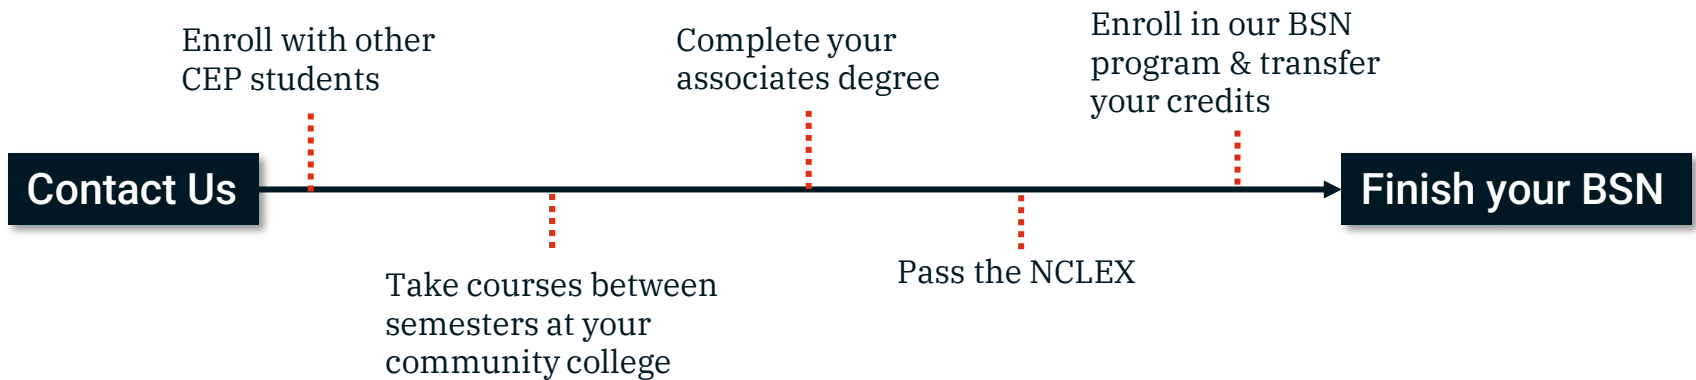

Work with a team of advisors to assist with questions regarding enrollment, academics, and finance.

Already have a bachelors degree outside of nursing? We have a RN-MSN Bridge program for you.

How it works

Bachelor of Science in Nursing

- Instructors averaging over 27 years of real-world experience and 11+ years of teaching experience
- We worked with labor market researchers to align in-demand skills to the BSN program. Learn today, apply tomorrow.
- Your degree comes with career coaching, resumé building and interview prep. *For life.*

The baccalaureate degree program in nursing, master's degree program in nursing, and Doctor of Nursing Practice at the University of Phoenix are accredited by the Commission on Collegiate Nursing Education, 655 K Street, NW, Suite 750, Washington, DC 20001, 202-887-6791

We're committed to your success

When you graduate from your community college and enroll in the RN to BSN at University of Phoenix, you'll receive the following student benefits:

- Career-relevant education and lifetime access to career services
- Fixed Affordable Tuition @\$350 per credit hour for your BSN degree
- Exceptional Flexibility: Always On, 24/7/365 – multiple starts throughout the year
- 5+1 = take 5 courses and get the 6th one free within one calendar year

Block Transfer Pathway

Associate of Science in Nursing Bachelor's of Science in Nursing

BSN Required Courses of Study

Course	Course Name	Credits
NSG/416	Theoretical Development and Conceptual Frameworks	3
NSG/451	Professional Nursing Leadership Perspectives	3
NSG/302	Professional Contemporary Nursing Role and Practice	3
NSG/426	Integrity in Practice: Ethic and Legal Considerations	3
NSG/456	Research Outcomes Management for the Practicing Nurse	3
HSN/376	Health Information Technology for Nursing	3
HSN/476	Healthcare Policy and Financial Management	3
NSG/486	Public Health: Health Promotion and Disease Prevention	3
NSG/482	Promoting Healthy Communities	3
NSG/468	Influencing Quality within Healthcare	3
NSG/498	Senior Leadership Practicum	3

Total Credit Summary

Required Course of Study Credits Remaining	33
General Education/Elective Credits Applied	47
Lower Division Nursing Credits Applied	40

Credits Remaining to Complete BSN Post CEP

21- 30*

* Depending on how many CEP non- degree courses you complete

Estimate to complete BSN

Tuition

33 core credits x \$350
per credit hour =
\$11,550

Resource fees

11 courses x \$170 =
\$1,870

Estimated program cost

$\$11,550 + \$1,870 =$
 $\$13,420 - \$1050 (5+1)$
 $\$12,370$

Tuition Payment Options

Payment Options (1st & 2nd Semester)

1. CEP Tuition and Fees: First 4 courses: \$4,880
Students have the option to pay each course up front (\$1,220) or make 4 payments (\$305) per course.
2. BSN Tuition and Fees: Remaining 7 courses w/5+1 benefit: \$7,490
