- Political Science
- Preschool Education
- Psychology/Sociology

## Page Changes:

### ***CLEP Exams*** (pg. 12)

Principles of Macroeconomics ECN 240

Principles of Microeconomics ECN 250

### ***30 Credit 'CR' Statement Modification***

(pp. 10 & 14)

A maximum of 30 credits of "CR" may be applied toward graduation from Arizona Western College.

is now

A maximum of 30 non-traditional credits can be awarded and applied towards a certificate and/or degree. Exceptions can be made at the discretion of the academic department/program. Students must be registered and/or have successfully completed at least six credit hours at AWC in order to have credits evaluated and posted on their AWC transcript.

### ***AccessABILITY Resource Services*** (p.44)

The following information replaces the information listed in the 2103–2014 Catalog:

The AccessABILITY Resource Services office works in partnership with students with disabilities, faculty and staff to remove barriers in the educational process through design and accommodation. We recognize disability as an aspect of diversity and promote a culture of inclusion for all diverse groups.

AccessABILITY Resource Services provides services to students who qualify under the American's with Disabilities Act, ADA Amendment Act 2008, and Section 504 of the Rehabilitation Act of 1973. An individual with a disability is an individual with a documented impairment that substantially limits one or more of that individual's major life activities. Recognized disabilities include, but are not limited to, mobility impairments, deafness, hard of hearing, blindness, visual impairments, learning disabilities, chronic medical conditions, and psychological disorders.

### ***Requesting Accommodations and Auxiliary Aids***

- Students with disabilities must self-identify with AccessABILITY Resource Services and provide the required disability documentation.
  - The eligibility determination process is not a same day process. Once documentation is received, it will be reviewed in order of receipt; therefore, it is rec-

ommended that documentation be submitted well in advance of any accommodation related needs (e.g. exam accommodations and alternative media services).

- Students must make an appointment with the ARS Coordinator; located on the top floor of the 3C building at (928) 344-7674. Students must meet with the coordinator each semester to develop the accommodation letter.
- Students should be prepared to speak to the Coordinator about their disability and the barriers they feel they may encounter in the classroom, as well as, accommodations or design modifications needed to ensure equal access.
- The ARS Coordinator will work with the students to determine which design modifications or accommodations are appropriate for each class.
- We encourage all students to contact instructors two weeks before the start of classes to discuss accommodations and success strategies for the semester. This not only gives the instructor time to consider the changes that will be needed to ensure access to materials, but also breaks the ice and encourages more effective communication.

**Note:** *Services can be requested at any time during the semester; however, requesting services well in advance will help ensure resources are available when needed.*

### ***Requesting auxiliary aids:***

**Note Taking Accommodation:**

- Students must identify the classes they will need a note taker in and pick up the "Note Taker Request" form(s) from the ARS Coordinator each semester when they pick up their accommodation letter.
  - Students may either find a note taker themselves or the instructor may assist them. If they require assistance, they must approach the instructor before class starts on the first day to request that the instructor reads the announcement on the note taker request form.
- Students must meet the volunteer(s) after class and send their choice with the note taker request form to AccessABILITY Resource Services, located on the top floor of the 3C building.
- If no one volunteers to share notes students must contact the ARS Coordinator in writing. ARS will find a note taker within 5 working days after notification.
- If students are dissatisfied with the notes, they may terminate the initial note taker contract, and solicit a new note taker.

- If students terminate a note taker, they must submit the reason for termination in writing to the ARS Coordinator.
- If students receiving notes withdraw from a class, they must inform the note taker and the ARS Coordinator in writing within 24 hours.

### D. General electives: . . . . . 10

## New Courses

### AJS 295 Administration of Justice Studies

#### Capstone

1 cr, 1 lec

Capstone is designed to assess the student's knowledge of the program's learning outcomes. This is a mandatory course for all Administration of Justice Studies majors prior to graduation.

**PRE: ENG 101 and 21 hours of AJS courses**

## Modified Courses

**AJS 101** ~~SUN~~ **AJS 1101** (added to the state SUN system) (pg. 154)

**AJS 123 Ethics and Criminal Justice** (pg. 215)

**Prerequisite:** AJS 101

**Course Description:** This course explores ethical issues and the criminal justice system while focusing on ethics and the law, the police, and the courts. It also reviews ethical theory as it relates to administration of justice. This course also includes practical decision making tools that encourage critical thinking and value decision making when acting or reacting ethically to challenges and temptations confronting the fundamental moral climate of the justice system.

is now

### AJS 123 Ethics and Criminal Justice/GE

**Prerequisite:** AJS 101 and ENG 101 eligibility or completion of RDG 121 or appropriate reading score

**Course Description:** This course explores ethical issues and the criminal justice system while focusing on ethics, law, police, the courts, and ethical theory as it relates to administration of justice.
