---------------------	-------------	----------------	--

The Public Safety Dispatcher Course exists to provide newly selected public safety dispatchers with an initial orientation and basic training. The instructional content and teachings methodologies in this course are present to better train new students in the increasingly complex role and function of the public safety dispatcher. Effective initial training is critical for public safety dispatchers to acquire the necessary skills, knowledge, and abilities in order to provide quality service to the public and the law enforcement agencies they serve.
