Fortinet Certified Associate Cybersecurity

Student Name	ID #	Advisor	Major Code: CERT.FCA Credits: 3
---------------------	-------------	----------------	--

This program uses Fortinet network security technologies to provide students with hands-on lab experiences, enabling them to apply their theoretical knowledge in practical settings. The curriculum covers the fundamentals of operating the most common FortiGate features. This practical experience helps students develop a deeper understanding of network security concepts and enhances their ability to address cybersecurity challenges. It prepares students for an associate-level credential.
