

Nursing Assistant Program (NUR 101)

This course focuses on applying client self-care concepts and basic procedures relative to fundamentals of nursing, communication, nutrition, anatomy, and physiology, medical terminology, legal/ethical issues, and aging. The concepts and procedures are introduced in the classroom and practiced in the college laboratory before implementation under faculty supervision in a clinical setting. This course prepares the learner for taking the state examination to become a certified nursing assistant.

(Fingerprints needed to take the state licensure exam.)

***The Arizona State Board of Nursing requires evidence of citizenship or nationality for state certification (CNA). ***
