Prior to assuming the role of AWC's President, Dr. Corr served as the Vice President of Academic and Student Affairs at Scottsdale Community College (SCC) for 9 years. In that position, Dr. Corr had broad administrative responsibility for facilitating the delivery of innovative, high quality instruction, establishing and evaluating student success initiatives and a comprehensive mix of Student Affairs programs and services including Athletics, Civic and Global Engagement, and Service Learning. ## Institutional Research Definitions of Data Elements

## Academic Performance

Academic performance measurements reported include grade distribution, completion, success, withdrawal

## Academic Year (AY)

An academic year covers the period between July 1 and June 30 and includes summer, fall, and spring terms as well as winter session which is part of spring term

## Administrative Withdrawal Grade (AW)

Pursuant to Arizona Revised Statutes (A.R.S.) §§ 15-1466.02, on the forty-fifth day class rosters, each professor or instructor shall indicate as withdrawn each student who has not been attending class, even if the student has not formally withdrawn from the course and a grade of "AW" (administrative withdrawal) will be awarded. After the forty-fifth day, if a student is unable to attend the course for any reason, it will be the responsibility of the student to withdraw from the course. (See AWC Course Catalog for additional information)

## Age-Groups

Based on date of birth as reported by students, as of AY reporting dates

## Audit Grade (AU)

Auditing classes is permitted with the permission of the instructor. Students auditing a class are expected to attend class regularly and participate in general class activities; however, students are not required to take examinations or complete class assignments. Students auditing a class must officially register in the course but will not receive credit or a grade in the class. The grade symbol of "AU" will show on the official college transcript. The last day to change a class from audit to credit or credit to audit is the last day of the add/drop period (week following first day of classes of the given term). Courses taken as audit may not be retaken for credit. (See AWC Course Catalog for additional information)

## Course Delivery Modes

Course delivery modes include:
Hybrid - Courses combining both web-based learning and face-to-face instruction or required physical attendance in a classroom
ITN - Two-way Interactive Television Network courses transmitted to sites throughout Yuma and La Paz counties
Face-to-Face - Traditional (face-to-face) courses
Telecourse - Professionally produced telecourses via two cable television stations (channels 74 and 75)
Web - Courses delivered via the Internet and completed without face-to-face instruction or required physical attendance in a classroom
Web Enhanced - Courses meeting the required face-to-face contact time and employing the Internet for some learning activities

## Completion

Refers to students, and the percentage of students (completion rate), that finish a course with grades of A, B, C, D, F, CR, or NC (without grades AU, I, W, AW, NS, R, or IP)

Completion rate calculation:

- The numerator is the number of students who received grades of A, B, C, D, F, CR, or NC
- The denominator is the number of students who received grades of A, B, C, D, F, CR, NC, AW, W, or NS

Note: grades AU (Audit), I (Incomplete), R (Repeat), and IP (In Progress) are not included in this calculation

## Degree-/Certificate-Seeking Students

Students enrolled in courses for credit who are seeking to complete an academic or occupational degree and/or certificate

## Developmental Student

A student who was enrolled in a developmental course (reading and/or, below college level English and/or math) at any time during the given academic year

## Enrollment by Course Location/Delivery Mode

The number of students actively enrolled in a course as of the official census day of any given term at a certain location or by course delivery mode. Enrollment headcount will be unduplicated by course location/delivery mode but duplicated throughout since one student may have enrolled in more than one class

## First-Time Student

A student who had no prior postsecondary experience and attended AWC for the first time at any time during the given academic year

## Freshman

A student who has completed fewer than thirty (30) credits

## Full-Time Student

A student who was actively enrolled, as of the official census day of given academic year, for twenty-four (24) or more credits

## Gender

Gender (male, female, or unspecified) as reported by students

## FACt BOOK 2015-2016

## Institutional Research Definitions of Data Elements

## Grade Distribution

The final grades awarded to students who were actively enrolled on the official census day of any given term. Grade distribution is the base for calculating completion, success, and withdrawal measurements

```
Grading Systems
System I:
    A - Exceptional performance for most learning outcomes
    B - Good performance for most learning outcomes
    C - Satisfactory performance for most learning outcomes
    D - Unsatisfactory performance for most learning outcomes
    F - Unsatisfactory performance for all learning outcomes
System II:
    CR - Credit (not computed into the Grade Point Average (GPA))
    NC - No Credit (not computed into the Grade Point Average (GPA))
Additional grade symbols included in both systems but not calculated into the grade-point average are:
    AU - Audit (see Audit)
    I - Incomplete (see Incomplete)
    AW - Administrative Withdrawal (see Administrative Withdrawal)
    W - Withdrawal (see Withdrawal)
    NS - No Show (student never attended class)
    R - Repeat (see Repeat Classes)
    IP - In Progress (see In Progress)
```

## Graduate

```
A student that received a credential (certificate and/or associate degree) at any time during the given academic year
```

## Graduation Efficiency Rate

```
Average time (in years) at which graduates, in a given year, completed a degree/certificate program
```

## Incomplete (grade)

A grade of incomplete is permissible only when the student has been unable to complete assigned course work due to an illness or to other reasons beyond his/her control and is applicable only when the student would otherwise have had a passing grade. A student receiving an incomplete has the responsibility of initiating the procedure for completing the work. The course must be completed during the following semester or a grade of " F " (if registered for Grading System I), or "NC" (if registered for Grading System II), will be recorded for the course. (See AWC Course Catalog for additional information)

## In Progress (grade)

"IP" is a grade indicating a course is in progress and a final grade has yet to be assigned. It is not to be used as an alternative to an incomplete grade. The "IP" must be used for open entry/open exit courses or short courses approved by the Dean of Instruction when the ending date of the course is not coincidental with the ending date of the grading period in which the course begins.

At the close of the first grading period, an "IP" grade will be assigned. The "IP" will be replaced by a letter grade at the conclusion of the course. There is a limit of one more semester beyond the semester of enrollment (not including summer) to replace the "IP." After this time limit, the "IP" reverts to the grade of "F." The "IP" is not computed in the Grade Point Average (G.P.A.)
(See AWC Course Catalog for additional information)
English as a Second Language Student
A student who was enrolled in an ESL course at any time during the given academic year

## Enrollment Headcount (HC)

Enrollment headcounts (duplicated) are based on data provided to us on the Official Census dates

## Open Entry/Open Exit Courses (OE/OE)

A limited number of courses are offered on an open entry/open exit basis. Students may enroll anytime throughout the academic semester and exit (complete) the course when course requirements have been met

## Part-Time Student

A student who was actively enrolled, as of the official census day of given academic year, for more than zero (0) and less than twenty-four (24) credits

## PELL Award Recipient

A student who was awarded a Pell grant(s) that target students in financial need during given academic year

## Race/Ethnicity

A new methodology was developed in 1997 by OMB to be used in reporting race/ethnicity. Students are asked to first designate ethnicity as:
Hispanic/Latino (Latino) or Non-Hispanic/Non-Latino
Second, students are asked to indicate one or more races that apply among the following:
American Indian/Alaska Native (Native American)
Asian (Asian)
Black/African American (African American)
Native Hawaiian/Other Pacific Islander (NH/OPI)
White (Caucasian)
Non-Resident Alien (International)
Unspecified
Hispanic/Latino (new definition) - A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race
American Indian/Alaska Native (new definition) - A person having origins in any of the original peoples of North and South America (including Central America) who maintains cultural identification through tribal affiliation or community attachment
Asian (new definition) - A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian Subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam

Black/African American (new definition) - A person having origins in any of the black racial groups of Africa

Native Hawaiian/Other Pacific Islander (new definition) - A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands

White (new definition) - A person having origins in any of the original peoples of Europe, the Middle East, or North Africa
Non-Resident Alien - A person who is not a citizen or national of the United States and who is in this country on a visa or temporary basis and does not have the right to remain indefinitely

Unspecified - The category used to report students whose race and ethnicity are not known

## Repeat Classes

Students may enroll for a course previously completed at AWC for a variety of reasons: (1) to earn a better grade, to update knowledge in a particular field, or to take a refresher course, or (2) to earn addition credits in courses which change topics or which allow for continuous and multiple experiences. In the first case, only the best grade is figured into the GPA and the course credits are only counted once. An example is a student who took SPA 101 and received a "C," but felt he didn't learn the basic grammar well enough to advance to 102; he repeats 101 . In the second case, all the credits and grades of each repetition are figured into the student's GPA and total number of credits. An example is a theater student who participates each semester in the College's plays; she enrolls in THE 250 Rehearsal and Production four times and receives credits and grades for each semester. (See AWC Course Catalog for additional information)

## Short Courses

A limited number of courses are offered where the ending date of the course is not coincidental with the ending data of the grading period in which the course begins

## Sophomore

A student who has completed 30 or more credits

## Students

A student who was enrolled as of Official Census dates in given academic year. Student headcount is unduplicated, a student is only counted once regardless of the number of classes in which they were enrolled in given academic year

## Success

Refers to students, and the percentage of students (success rate), that finish a course with grades of A, B, C, or CR (without grades D, F, NC, AU, I, W, AW, NS, R , or IP)

Success rate calculation:

- The numerator is the number of students who received grades of $\mathrm{A}, \mathrm{B}, \mathrm{C}$, or CR
- The denominator is the number of students who received grades of A, B, C, D, F, CR, NC, AW, W, or NS

Note: grades AU (Audit), I (Incomplete), R (Repeat), and IP (In Progress) are not included in this calculation

## Undergraduate

A student enrolled in an associate degree program, a vocational or technical program, or a certificate program below the baccalaureate

## Institutional Research Definitions of Data Elements

## Withdrawal (grade)

After the designated add/drop period (week following first day of classes of the given term) and through the first three quarters of the course, or as specified by the Director of Admissions/Registrar or designee, students may withdraw from one or more classes and receive a grade of "W" on their official academic record.
Classes lasting less than an entire semester may have a different withdrawal period. (See AWC Course Catalog for additional information)

## Withdrawal Rate

Refers to students, and the percentage of students (withdrawal rate), that did not complete a course and received grades of AW or W (without grades of A, B, C, D, F, CR, NC, AU, I, NS, R, or IP). These are the students who withdrew or were administratively withdrawn after the official census day

Withdrawal rate calculation:

- The numerator is the number of students who received grades of AW, or W
- The denominator is the number of students who received grades of A, B, C, D, F, CR, NC, AW, W, or NS

Note: grades AU (Audit), I (Incomplete), R (Repeat), and IP (In Progress) are not included in this calculation
