Part One:
Please find TWO resources for families who are dealing with abuse in Yuma. Post these resources to the Discussion Board current events on Blackboard. Include the contact information and the service they provide. **Submit this information with your paper** as well.

Part Two: What can be done to reduce family violence? Include information on the individual, family, community and society level of prevention. Please use a minimum of one outside source (other than our text) to help guide your answer. Include the source in your paper.
