

AMERICAN COLLEGE of EDUCATION®

Finish your bachelor's degree

Expand your career opportunities without starting from scratch. At American College of Education, we help you transfer in as many of your previous credits as possible so you can finish your bachelor's degree quickly and affordably.

Complimentary Credit Review

Know before you enroll how many of your credits will transfer into ACE. Contact one of our enrollment counselors to get started!

Bachelor's degree credit overview

To obtain a bachelor's degree, you must earn a total of **120 semester credit hours**. Credit hours are categorized into general education, elective and core courses. Below, we've outlined completion requirements for the bachelor's programs we offer:

PROGRAM	GENERAL EDUCATION	ELECTIVE CREDITS	CORE COURSES
B.S. in Business Administration and Leadership	30	54	36
B.S. in Healthcare Administration	30	54	36
B.A. in Professional Studies	30	60	30
B.A. in Education Studies	30	60	30

General Education Credits

Obtain these credits by transferring them in from a previous school, taking courses at ACE or taking courses at one of our academic partners.

Elective Credits

Obtain these credits by transferring them in from a previous school or taking courses at one of our academic partners.

Core Courses Credits

Obtain these credits by taking courses at ACE.

To be admitted to ACE's bachelor's-completion programs, you must have either an associate degree or 60 credit hours.

Need more credits to enroll?

ACE has partnerships with trusted undergraduate course providers who can help you obtain general education credits quickly and affordably. The credits you earn through our partners can seamlessly transfer into ACE.
