25. Complete your application by answering the certification questions, entering your electronic signature and date, and finally clicking **Submit Application**.

The screenshot shows a web application interface for the 'Signature' step. At the top, there is a navigation bar with tabs: 'Personal', 'Demographics', 'Plans', and 'Signature' (which is highlighted with a red underline). In the top right corner of the page, there is a 'Print' button with a printer icon. Below the navigation bar, a note states: 'Please note that once submitted, this application can no longer be edited or changed. Upon successful submission, you will see a confirmation message, and the status of your application submission will be updated in the 'My Applications' area.'

The main section is titled 'Certification'. It begins with the instruction: 'Please affirm the following before you submit your application. Do you certify the following? *'. There are three certification questions, each followed by a horizontal line and radio button options for 'Yes' and 'No'. The first question is: 'I understand that once my application has been submitted it may NOT be altered in any way.' The second question is: 'I understand that photographic or video likenesses of me may be recorded in public spaces at AWC or at AWC events, for educational or college promotional purposes, and I release all claim to the rights to these images.' The third question is: 'I understand that an offer of admission is conditional, pending receipt of final transcripts showing work comparable in quality to that upon which the offer was based.'

Below the certification questions, there is a section for the electronic signature. It states: 'The electronic signature consists simply of your name, typed by you on your keyboard. The signature is your confirmation that the application you have filled out is your own work and the information is factually true. Once you type in your name, this will count as your electronic signature.' There are two input fields: 'Signature *' and 'Signature Date *'. The 'Signature Date' field contains the text '4/8/2025'.

At the bottom of the page, there are four buttons: 'Previous Page', 'Save Application (Guarda la solicitud)', 'Preview Before Submission', and 'Submit Application'.

Note: After submitting the admission application, you will receive a follow-up email with instructions to upload the required supplemental documents to finalize your admission application as an **international** student.
