Welcome New Matador!

We are excited that you have decided to begin or continue your academic journey at Arizona Western College!

You are about to embark on an adventure! Over the next few semesters, you will travel up a road of academic challenges and personal growth. To help you navigate the twists and turns in that road, we have put together this orientation and booklet. Think of it as your road map.

If you follow the advice and information in this orientation and booklet, and meet with your advisors regularly, you will find that your journey will be successful and rewarding.

An important step in the process of beginning your education at AWC is to take part in the New Student Orientation. Participating in New Student Orientation will help you become better prepared academically to start your first semester at AWC and to become acquainted with your new campus community.

It's a great day to be a Matador!

ORIENTATION AGENDA

- AWC majors (degrees and certificates) and General Education requirements.
- Selecting a career/major and working with your advisor.
- Strategies and tips on how to choose classes and build a schedule.
- Ideas on how to be a successful college student.
- Prepare for your first registration.

New Student Orientation, this booklet, along with the AWC program (degree/certificate check-sheet) and the student handbook are important tools that you will want to take advantage of and use along your journey. Your academic advisor will also assist you in your new adventure. Your advisor will help you with decisions on choosing a major and career, selecting appropriate courses each semester, referring you to resources, and assisting you in your college journey.

IMPORTANT DATES TO REMEMBER

Fall 2025

- * Classes Begin..... Monday, August 18
- * Last day Add/Drop for standard 16-week and 1st 8-week semester..... Friday, August 22
- * Labor Day/No Classes..... Monday, September 1
- * Start of Fall 12-week sessions ... Monday, September 15
- * Last day Add/Drop for 12 week semester..... Friday, September 19
- * Last Day to Withdraw (1st 8 week classes)..... Friday, September 26
- * **Advising Weeks**..... October 6 - October 20
- * Winter Session Registration begins..... Monday, October 6
- * Start of Fall 2nd 8-week session Monday, October 13
- * Last day Add/Drop for 2nd 8-week semester..... Friday, October 17
- * Spring Registration begins Monday, October 20
- * Last Day to Withdraw (16 week classes)..... Friday, November 7
- * Veterans Day/No classes Tuesday, November 11
- * Last Day to Withdraw (12 week classes)..... Friday, November 14
- * Last Day to Withdraw (2nd 8 week classes)..... Friday, November 21
- * Thanksgiving Day/No Classes..... Thursday-Friday November 27-28
- * End of Fall Semester Friday, December 12
- * Start of Winter Session..... Monday, December 15

Spring 2026

- * End of Winter Session..... Monday, January 12
- * Classes Begin..... Monday, January 12
- * Last day Add/Drop for standard 16-week and 1st 8 week semester Friday, January 16
- * Martin Luther King Jr. Holiday/No Classes..... Monday, January 19
- * Start of 12 –week session Monday, February 9
- * President’s Day Holiday-No Classes..... Monday, February 16
- * Start of 2nd 8-week session Monday, March 9
- * Last day Add/Drop for 2nd 8-week semester..... Friday, March 13
- * Summer Registration begins Monday, March 16
- * Spring Break/No Classes..... Monday-Sunday, March 30– April 5
- * Registration for Fall Begins..... Monday, April 6
- * **Advising Weeks**..... March 16– April 6
- * Last Day to Withdraw (16-week classes)..... Friday, April 10
- * Last Day to Withdraw (12-week classes)..... Friday, April 17
- * Last Day to Withdraw (2nd 8-week classes)..... Friday, April 24
- * End of Spring Semester..... Friday, May 15

More information on important dates pertaining to the academic calendar may be found on the Arizona Western College website: azwestern.edu/academic-calendar

AWC CAREER AND TRANSFER PROGRAMS

Career/Occupational Pathways (Certificates and A.A.S Degrees): [www.azwestern.edu\(Programs\)](http://www.azwestern.edu(Programs))
 For a detailed list of requirements for each certificate and/or degree, see [www.azwestern.edu\(Programs\)](http://www.azwestern.edu(Programs)).
 Students who complete an AAS degree at AWC may have options for transferring into a Bachelor's of Applied Science (BAS) degree program at ASU, NAU or UA.

Find your field of interest at Arizona Western College

Arts, Humanities, Social and Behavioral Sciences

Transform your life and communities with vigorous, immersive studies in written and spoken communication, the fine and performing arts, modern languages, and human behavior.

Business and Computer Information Systems

Acquire the essential skills necessary to pursue a career in business, accounting, IT, informatics, video game design, and beyond.

Education

Help students reach their full potential and unlock a love for learning through a career in the field of education.

Healthcare and Public Safety

Help improve the quality of life for those in your community through a rewarding career in nursing, fire science, law enforcement, and more.

Science, Engineering, Agriculture, and Math

Make an impact on our world by tackling challenges and discovering creative solutions within the field of agriculture, engineering, environmental sciences, and beyond.

Technology, Trades, and Food Sciences

Get the hands-on experience you need to prepare for a career in industrial technology, manufacturing, welding, culinary arts, and more.

Undecided

Sign up for a Pipeline AZ account to quickly see how your passions and skills match with available career pathways, then connect with everything you need to get there.

Transfer Degrees and Pathways

Arizona Western College

Effective Fall 2025, Arizona Western College will adopt the updated Arizona General Education Curriculum requirements, which is a block of 32-35 credits of required general education courses (see page 6). The community colleges and universities (NAU, UA, ASU) in Arizona have agreed upon a common structure for a transfer general education curriculum - providing students attending any Arizona community college with the opportunity to build a general education curriculum that is transferable upon completion without loss of credit.

- * Transfer degrees include general education (AGEC), along with recommended or required freshmen / sophomore preparation courses.
- * AGECE is at least a 32-35 credit lower division general education curriculum block that fulfills the lower division general education requirements at the Arizona universities.
- * A minimum of a "C" grade and a minimum 2.0 GPA is required for all courses in the AGECE.

It is never too early to begin planning for a smooth transfer to another institution. A student's decisions and commitment to a specific program and university directly impact the success of transferring credits. The longer a student waits to make a decision, the more they will risk delaying degree completion. Therefore, students are encouraged to declare their major and university by the time they have earned approximately 24 credits.

Students can find courses that will fulfill more than one component of their degree. These are courses a student can take at the community college that would satisfy AGECE, Associate's Degree, and Baccalaureate degree requirements.

Recommended Lower-Division (Freshmen/Sophomore) Preparation: Students should consult with an academic advisor, check the AWC website (degree program check sheet) or www.aztransfer.com (major guides) for information regarding the best possible recommended lower-division preparation for a student's intended bachelor's degree. Students should complete these courses as a part of their associate degree.

CAMP offers to eligible students valuable information on pre-college transitions and support services to aid the development of skills necessary to succeed in their first year of higher education.	ES Building (928) 317-7627
Career Services/ Jobs4Matadors:	Helps students with resumes, career choices, on/off campus jobs, and with volunteer & internship opportunities.	3C Building (928) 344-7624 azwestern.edu/careerservices
Clubs/ Organizations:	Students who participate in extracurricular activities have proven to have more success in their college careers. When you become engaged in student activities, you are more likely to stay on track toward graduation, maintain closer contact with faculty, and have higher levels of self-confidence.	3C Building (928) 344-7576
Computer Lab:	Students have access to desktop, printers and limited technical assistance.	AC Building/ Room 156 (928) 344-7796
Grants and Scholarships:	Worried about the cost of college? By starting your degree at AWC, you've already lowered the cost of your degree. Further decrease your student loans by applying for scholarships	foundation.azwestern.edu www.azfoundation.org/
Financial Aid	Helps students eligible for other forms of financial assistance such as state grants, student employment, and student loans.	3C Building (928) 344-7634 www.azwestern.edu/finaid
Honors:	Dedicated to providing a variety of formal and informal learning opportunities designed to enrich each student's overall experience. Each year there are approximately 25+ Honors Scholarships awarded to cover full tuition, books, and food for two semesters, or approximately \$4400 per year.	LR 86 (928) 344-7685
K.E.Y.S. (Student Support Services) Program:	Support program designed to increase the college retention, graduation and transfer rates of first-generation, low-income and disabled students. Tutoring in Math and English, grants, university trips (Tutoring and trips ONLY for K.E.Y.S. students).	Keys Building (928) 344-7761
AWC/NAU Library:	Committed to supporting educational, career, and lifelong learning. To check out books, use the library's computers, get help with research papers, learn how to use the library's website for your convenience.	LR Building (928) 344-7777 library@azwestern.edu
Student Success Center:	Free tutoring is available to all AWC students. Drop-in math and science help is available in the Math Center. Assistance with writing for any course is available by appointment through the Writing Center. Tutoring in Math and English is open to all AWC students.	SC Building (928) 317-6029 San Luis Writing Center 928.314.9520
Testing Center:	Provides various testing services, including student placement tests.	3C Building (928) 344-7641- Yuma azwestern.edu/testing Page 12
Transfer Services:	Designed to help students transition from AWC to a 4 year university.	3C Transfer Center (928) 344-7638

STUDENT PLANNING THROUGH SELF-SERVICE

Self-Service consists of a number of modules that enables students to complete various tasks:

- Review AWC transcripts
- Check progress towards a degree or certificate
- Build a timeline/Educational Plan, semester by semester
- Register for classes
- Apply for graduation
- Student finance
- Request Program Review

Student Planning is a set of self-service academic planning tools that helps students list all courses, semester by semester, in order to complete her/his certificate or degree. Student Planning allows students and advisors to see what courses and requirements students need to graduate. It comes pre-loaded with degree plans that help students better understand pre-requisites and course sequencing as well as sample plans to help students understand which courses are required and when. All of which helps them make better decisions with confidence.

A student's plan (or what is sometimes referred to as an EAP-Educational Academic Plan) should take into account developmental courses, transfer courses, prerequisite courses and class sequencing. To complete a Plan, students should utilize degree/certificate Program Check Sheet for program requirements and Advising Worksheet for general education requirements, as well as consult with their faculty and/or an academic advisor.

Certificate/degree requirements may change from one catalog year to another. Students should follow the requirements of the catalog year at the time of first enrolling in classes at AWC. Students should consult with an advisor if they have questions regarding catalog year.

An academic advisor can review completed plans and make suggestions. Students are ultimately responsible for making certain that their Educational Academic Plan meets all degree/certificate requirements for graduation.

Set a Goal. Make a Plan!

CONTINUE THE ADVENTURE.....

* Evaluate and review today's orientation www.azwestern.edu/advisement

* Download today's material:

Orientation PowerPoint Presentation

Orientation Booklet

Tutorials

* **Payment:** Make sure your classes are paid for by the deadline in order to hold your spot in your classes. If receiving financial aid, make sure you submit all missing documents. Please check Self-Service under Financial Aid tab.

* **Student Photo ID:** Once you are registered for classes, stop by the Cashier's office and pay a \$10 fee and then head onto Campus Life office to get your official AWC student ID!

* **Textbooks:** Be sure to purchase your textbooks in time for the start of class! Using the textbook information listed in Self-Service, you will purchase your textbooks from any online source or vendor of your choice. To find the correct materials, be sure to use the correct ISBN (International Standard Book Number) that correlates with the textbook.
