La Paz Promise and Yuma Promise

Arizona Western College made a significant commitment to our BHAG (Big, Hairy, Audacious Goal) of doubling baccalaureate attainment rates by launching the Yuma Promise and La Paz Promise tuition reimbursement programs.

How it works:

1. Graduate from a recognized high school in Yuma or La Paz County
2. Complete and submit the Free Application for Federal Student Aid (FAFSA)
3. Complete and submit a Yuma or La Paz Promise sign-up form
4. Attend AWC each semester for up to 5 semesters, taking classes full time (at least 12 credits a semester)
5. Pay up front for out-of-pocket tuition and program fees
6. Upon earning an AWC transfer degree, students must transfer to a university program in Yuma via one of our 3 state partners: UA-Yuma, NAU-Yuma, or ASU@Yuma, and enroll full-time*
7. Provide verification of Yuma campus university enrollment to AWC*
8. Apply for a refund in full for all out-of-pocket expenses related to tuition and program fees

*Requirement for Yuma Promise only

High school graduates from any recognized high school in Yuma or La Paz County (including accredited home school students) who enroll fulltime after graduation are eligible to complete their associate degree debt free and ready for the next step toward their degree.

AccessABILITY Resource Services

The AccessABILITY Resource Services office works in partnership with students with disabilities, faculty and staff to remove barriers in the educational process through design and accommodation. We recognize disability as an aspect of diversity and promote a culture of inclusion for all diverse groups.

AccessABILITY Resource Services provides services to students who qualify under the American’s with Disabilities Act, ADA Amendment Act 2008, and Section 504 of the Rehabilitation Act of 1973. An individual with a disability is an individual with a documented impairment that substantially limits one or more of that individual’s major life activities. Recognized disabilities include, but are not limited to, mobility impairments, deafness, hard of hearing, blindness, visual impairments, learning disabilities, chronic medical conditions, and psychological disorders.

Requesting Accommodations and Auxiliary Aids

• Students with disabilities must self-identify with AccessABILITY Resource Services and provide the required disability documentation.
• The eligibility determination process is not a same day process. Once documentation is received, it will be reviewed in order of receipt; therefore, it is recommended
that documentation be submitted well in advance of any accommodation related needs (e.g. exam accommodations and alternative media services).

- Students must make an appointment with an ARS coordinator by calling AccessABILITY Resources Service’s front desk at (928) 344-7674 or email accessibility@azwestern.edu Students who are new to ARS must submit a public request for accommodation before their scheduled appointment at azwestern-accommodate.symplicity.com/public_accommodation. Students must meet with the coordinator each semester to develop an accommodation letter. The ARS office is located on the top floor of 3C.

- Students should be prepared to speak to the coordinator about their disability and the barriers they feel they may encounter in the classroom, as well as, accommodations or design modifications needed to ensure equal access.

- The coordinator will work with the students to determine which design modifications or accommodations are appropriate for each class.

- We encourage all students to contact instructors two weeks before the start of classes to discuss accommodations and success strategies for the semester. This not only gives the instructor time to consider the changes that will be needed to ensure access to materials, but also breaks the ice and encourages more effective communication.

Note: Services can be requested at any time during the semester; however, requesting services well in advance will help ensure resources are available when needed.
