

**AN AGREEMENT TO ESTABLISH A  
TRANSFER ARTICULATION AGREEMENT BETWEEN  
NEW MEXICO STATE UNIVERSITY  
COLLEGE OF AGRICULTURAL, CONSUMER, AND ENVIRONMENTAL SCIENCES  
AND ARIZONA WESTERN COLLEGE**

---

This agreement establishes a plan whereby an undergraduate student may first attend Arizona Western College and then transfer to New Mexico State University's (NMSU) College of Agricultural, Consumer, and Environmental Sciences to complete a bachelor's degree in Agricultural Economics and Agricultural Business.

**Guidelines:**

The following guidelines are used to award transfer credit toward a degree in NMSU's College of Agricultural, Consumer, and Environmental Sciences:

- Transfer of credits is consistent with and subject to the same conditions prescribed in each institution's published catalog.
- A grade of C- or above will be earned at Arizona Western College.
- College-level courses from Arizona Western College will be equivalent in content and standards to NMSU courses.
- Candidates must successfully meet all requirements for admission to NMSU and to the College of Agricultural, Consumer, and Environmental Sciences.
- This agreement will be reviewed regularly by both parties to ensure continued transfer compatibility of programs of study.

To facilitate the transfer of coursework, this articulation agreement includes the courses normally taken by students at NMSU's College of Agricultural, Consumer, and Environmental Sciences. Transfer students should realize that they must complete all coursework necessary in their respective degree plan of study before receiving their bachelor's degree from NMSU. This agreement is subject to change, including the need to add, delete, or modify NMSU degree programs. For further information, please contact NMSU's College of Agricultural, Consumer, and Environmental Sciences at MSC 3AG, P.O. Box 30003, Las Cruces, NM 88003-8003, 575-646-3748.
