Family Tree Project:

Using what we have learned in class, create a video to explain your family tree in American Sign Language (ASL). You must use correct vocabulary and grammar. Post your family tree video on Blackboard.

Requirements:

- ✓ Must have both sides of your family
- ✓ Need to have 3 generations (grandparents, parents, yourself/siblings, or yourself/siblings, your children, your grandchildren).
- ✓ Students must use locatives/referents and use role shifting.
    - o For example:
        - ▪ My dad's dad's name is Wint Jr.
        - ▪ My Dad's mom's name is Barbara
        - ▪ My dad's name is Wint III
        - ▪ My dad is an only child
        - ▪ My mom's dad's name is Gary
        - ▪ My mom's mom's name is Patty
        - ▪ My mom's name is Lynn
        - ▪ My mom has 3 siblings; one brother and two sisters
        - ▪ I have no sisters and 2 brothers. My brothers' names are Buddy and Skylar.
- ✓ You need to include 3 facts about yourself.
    - ▪ I love playing all sports. My absolute favorite sports are soccer, volleyball, and tennis.
    - ▪ My favorite color is light blue
    - ▪ I ran the Disneyland Princess ½ Marathon. I am training to run the Disney's Coast to Coast ½ Marathons in 2013 and 2014.
- ✓ Your major at AWC

Extra Credit:
You may do more than 3 generations (each additional completed generation is 2 points) or additional facts about yourself (max of 4 additional facts for 1 point each).
