

ASL Children's Book Assignment

Requirements:

- Book must have 10+ pages and a plot
 - "See Spot Run" does not have a plot
 - Everyone must do a different book
 - Must be approved by the professor
- Typed ENG and ASL translation with topic, comment, and non-manual signals labeled. Here is an example for one sentence of what the translations should look like:
 - ENG: I want to buy a purple purse.
 - ASL: I + purse + purple + buy + want.
Topic: eyebrows up Comment: eyebrows down
- Video of you signing the children's book in ASL
 - Closed captioned in English
- Wear solid colored clothes that contrast your skin tone. Do not wear nail polish. Have a solid colored background that contrast your skin tone. Have the light in front of you and not behind you.

I encourage you to use the webcams in the AWC Student Success Center. You can borrow the Webcam to use in the Student Success Center. On several of the computers there is a program called "Movie Maker." This is a great program for recording videos and adding captioning.

This video is a great example (except that it needs to add closed captioning):
