

Part One:

Please find TWO resources for families who are dealing with abuse in Yuma. Post these resources to the *Discussion Board* current events on Blackboard. Include the contact information and the service they provide. **Submit this information with your paper** as well.

Part Two: What can be done to reduce family violence? Include information on the individual, family, community and society level of prevention. Please use a minimum of one outside source (other than our text) to help guide your answer. Include the source in your paper.
