

HIS122-History of the United States from 1865-Week 9 Assignment

GE Focus Areas: Communication; Civic Discourse-Historical Awareness

Competing Visions: Sharing the Wealth

Should money be redistributed? That was the question many answered during the Depression. After reading the two views on page 675, respond to the following questions:

- What justification or objection does each give for redistributing wealth throughout the population?
- What correlation do you see between this debate in the 1930s and the current debate over entitlement programs, extension of unemployment benefits and health care reform?
