

## Configuring your mobile device for Use with Your Toromail Account: Android via Outlook App

Welcome to your AWC Toromail Student E-mail Account!

This tutorial was created using the latest Android build, so your phone may display somewhat differently than the images contained in this document.

1: Go to the play store and download the Outlook app if you do not already have it installed.

2: Open the outlook App

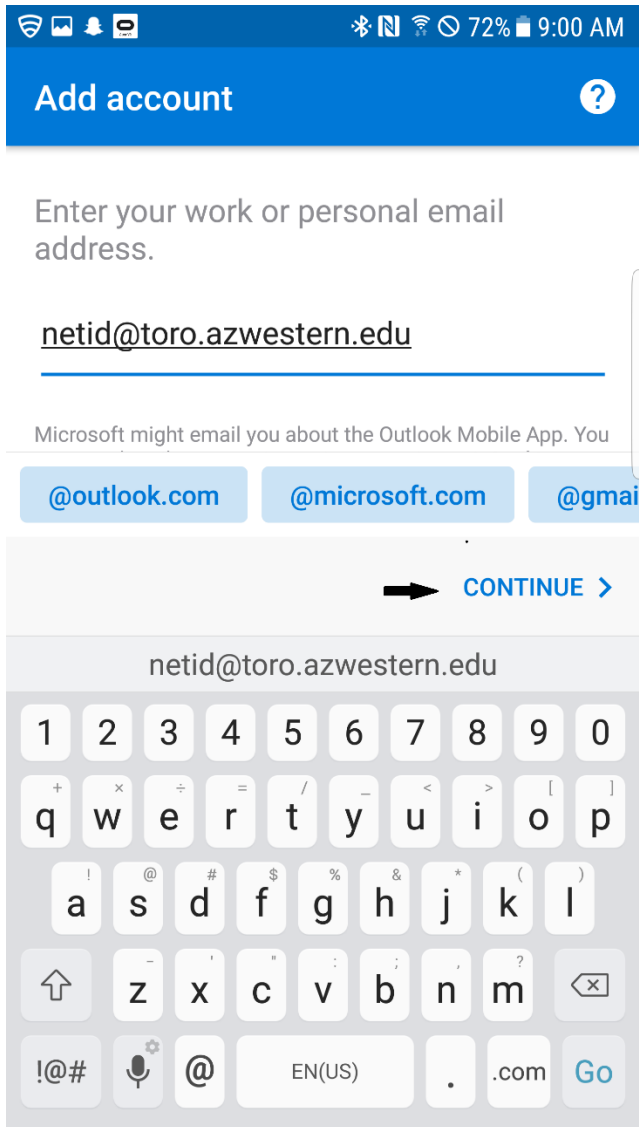

# Outlook

A better way to manage your email.

5: Click through to learn more about Outlook or just click “Skip” to start using outlook!

**Focused Inbox**

We've put your most important,  
actionable emails here.

SKIP     ● ● ●     →

A blue rectangular overlay at the bottom of the screen. It contains the text "Focused Inbox" in bold, followed by "We've put your most important, actionable emails here." in a smaller font. At the bottom left is the word "SKIP", in the center are three white dots with the first one filled, and at the bottom right is a white right-pointing arrow.
