AY 20-21 impacted by Covid-19

Student headcount (N) is unduplicated. Each student is counted only once within each group.

<sup>1</sup>International students are those students who are non-resident aliens of any race/ethnicity

<sup>2</sup>Increase in the Unspecified student population in AY 21-22 is partly due to changes in the admissions application process, which led to a higher number of students not reporting their race/ethnicity

<sup>3</sup>Increase in the number of students Awarded Financial Aid in AYs 21-22 and 22-23 is partly due to the distribution of financial aid under the Federal Higher Education Emergency Relief Fund (HEERF)

## DEFINITIONS OF DATA ELEMENTS

### Academic Performance

Academic performance is evaluated through several key metrics:

**Grade Distribution:** the range of final grades awarded across courses, highlighting academic outcomes.

**Completion Rate:** the percentage of students who complete their courses, receiving any final grades except those indicating withdrawal or non-completion (AU, I, IP, AW, W, or NS).

Calculation:

- The numerator is the number of students who received final grades of A, B, C, D, F, CR, or NC
- The denominator is the number of students who received final grades of A, B, C, D, F, CR, NC, AW, W, or NS

*Note: grades AU (Audit), I (Incomplete), and IP (In Progress) are not included in this calculation*

**Success Rate:** the percentage of students who achieve a grade of 'C' or better in their courses, indicating satisfactory performance.

Calculation:

- The numerator is the number of students who received final grades of A, B, C, or CR
- The denominator is the number of students who received final grades of A, B, C, D, F, CR, NC, AW, W, or NS

*Note: grades AU (Audit), I (Incomplete), and IP (In Progress) are not included in this calculation*

**Withdrawal Rate:** the percentage of students who withdraw from courses after the initial enrollment period, marked by grades AW and W.

Calculation:

- The numerator is the number of students who received final grades of AW or W
- The denominator is the number of students who received final grades of A, B, C, D, F, CR, NC, AW, W, or NS

*Note: grades AU (Audit), I (Incomplete), and IP (In Progress) are not included in this calculation*

## DEFINITIONS OF DATA ELEMENTS

### **Academic Year (AY)**

An academic year extends from July 1 of one year to June 30 of the following year, including the summer, fall, winter, and spring terms/session.

### **Age Groups**

Determined based on students' date of birth as reported, where age is calculated as of the start date of the given Academic Year (July 1). These age groups align with the Integrated Postsecondary Education Data System (IPEDS) categories, which are commonly used for reporting purposes.

### **Attendance Classification**

A 'Full-time (FT)' student is actively enrolled for twenty-four (24) or more credits for the entire academic year. A 'Part-time (PT)' student is actively enrolled for less than twenty-four (24) credits for the entire academic year.

### **Certificate-Seeking Student**

A student enrolled in courses for credit who is actively pursuing the completion of an occupational certificate. This includes both full-time and part-time students who have declared their intention to obtain a certificate.

### **Declared Major Student**

A student enrolled in courses for credit who has declared their intention to obtain a degree or certificate or is attending for personal enrichment purposes. This includes both full-time and part-time students.

### **Degree/Certificate-Seeking Student**

A student enrolled in courses for credit who is actively pursuing the completion of an academic or occupational degree and/or certificate. This includes both full-time and part-time students who have declared their intention to obtain a degree or certificate.

### **Degree-Seeking Student**

A student enrolled in courses for credit who is actively pursuing the completion of an academic or occupational degree. This includes both full-time and part-time students who have declared their intention to obtain a degree.

## DEFINITIONS OF DATA ELEMENTS

- Math 121 or lower, except for MAT-105, MAT-106, and MAT-119

### **English Language Learner Student**

A student enrolled in any ESL or EAP course at any time during the given academic year.

### **Enrollment Headcount**

Enrollment headcounts are duplicated, meaning each class enrollment is counted individually.

### **First-Generation Student**

A student whose parent(s) or legal guardian(s) have not completed a bachelor's degree. A student who is the first in their immediate family to attend college/university.

### **First-Time Student**

### **Graduate**

A student who has been awarded a credential, such as a certificate and/or associate degree, at any point during the given academic year.

## DEFINITIONS OF DATA ELEMENTS

### Graduation Efficiency Rate

The average time, measured in years, that it takes for students to complete their degree or certificate program, starting from their initial enrollment at AWC and ending in the specified academic year.

### Modalities

Course delivery modes include:

- Hybrid: Classes are delivered both on-campus (in-person) and online, combining face-to-face interactions with online components.
- In-Person: Classes are conducted exclusively on-site at AWC locations, with all course activities carried out in person.
- Linked: Classes are delivered simultaneously to multiple AWC locations via Zoom.
- Online (Web-based): Classes are conducted entirely online using Canvas, without any scheduled in-person sessions.

- Zoom In-Person: Classes are delivered live via Zoom to students at an AWC location who attend in person.

### Race/Ethnicity
