This is an individual student assignment. The assignment is designed for the student who has received credit for the NUR 221 course and wishes to apply for a license to practice as a Practical Nurse in the state of Arizona.

The student must complete the following steps to meet criterion 3:

- Declare intent to complete the Practical Nursing Competency Packet by sending an email from the student Toro email to nursing@azwestern.edu by **noon** on the Thursday of finals week. *The student must attend a mandatory meeting that will be held the following week and will then be enrolled into a Canvas course for submission of packet.*
- Student must answer all questions in the packet using own words providing appropriate references for paraphrased and quoted material. The student may request **one** review by the Director of Nursing to ensure the packet is on track for successful completion.
- Submit the packet through the Unicheck link located in the Canvas course. Canvas uses Unicheck which is a plagiarism manager. According to Canvas, Unicheck may be interpreted as follows:
 - Unicheck is a plagiarism checker. It verifies the originality of submitted texts or documents and delivers detailed similarity reports to instructors and students.
 - Unicheck can be used by instructors and students in Canvas Assignment activity. After you submit an assignment, instructor receives a comprehensive similarity report, which becomes available within a few minutes.
 - Unicheck compares submitted documents with the Internet and the Unicheck Institutional Library (i.e., assignments submitted by other students and/or assignments that were directly uploaded to the Unicheck account by administrator or instructor).
 - Reference: <https://support.unicheck.com/hc/en-us/articles/360016436734-Student-s-Guide#h.w4muyegj4fd8>

Once submitted through Unicheck, the DoN will complete a final evaluation for accuracy and comprehensiveness.

Answers to the following statements must demonstrate understanding of the Nurse Practice Act and Scope of Practice for Practical Nursing. The following links can be used for reference:
