

# Transfer Admission Guarantee

Transfer simplified

[transfer.asu.edu/tag](https://transfer.asu.edu/tag)

After you sign up for the TAG, this worksheet will help you understand which course requirements are complete, in progress and still need to be fulfilled at your community college before transferring to ASU.

Once you have completed the lower-division courses (freshman and sophomore level), then you are ready to transfer to ASU for the upper-division courses (junior and senior level). Lower-division courses are all 100- and 200-level courses.

*Note: If you have already earned or in the process of earning an AAS degree, please refer to the paired BAS programs on the transfer website rather than using this worksheet.*

## Instructions:

- 1 Gather your unofficial college transcripts from all institutions attended so you know what courses you have completed and what courses are in progress.
- 2 Print the ASU Major Map for the current academic year by visiting **Degree Search** ([asu.edu/degrees](https://asu.edu/degrees)). Find your intended ASU major, click on Major Map and print it.
- 3 On the Major Map, highlight or circle all 100-level courses, 200-level courses and other lower-division requirements (e.g., lower-division humanities - HU).

*Note: You don't need to list ASU 101 (or an equivalent college-specific freshman seminar) on your worksheet. Specific transfer success courses are available during your first year at ASU.*

- 4 Add all the courses that were highlighted or circled to this worksheet in column 1, "ASU Course."
- 5 Visit the **Transfer Credit Guide** to perform an equivalency search. [tcg.asu.edu/reverse](https://tcg.asu.edu/reverse)  
Using this tool, enter each ASU course from column 1 to determine the equivalent course at your community college. Enter that course prefix and number in column 2, "Community College Course."

## Course Equivalency Search

Search for an equivalent course at ASU. Find the college courses you took at another institution and determine how those credits will transfer to ASU by entering the criteria below. If you do not find the courses you are looking for, [submit](#) your courses for evaluation.

The screenshot shows a web form for searching equivalent courses. It includes a dropdown for 'Institution\*', a 'Search for Matches' button, and a 'Copy to Submit Courses for Evaluation' button. There are four dropdown menus for 'Course Prefix', 'Number', 'Term Taken', and 'Year Taken'. Blue arrows point from callout boxes to these fields.

Enter your previous or current college.

Choose the term and year the class was taken.

Select the Prefix of the classes you took for an overview of all classes applicable. If you are looking for a specific class, only click **one** prefix.

Click on the correct class number (if looking for only one class).
