

QUILTING PROJECTS-INTRODUCTION

The Introduction to Quilting Projects course is a personal enrichment program which provides a hands-on experience in the area of sewing, sewing machine use, and construction.

This Quilting class is designed for a beginner to advanced level individual. Students will learn the basic knowledge of how to use a standard model sewing machine, but will also be introduced to different types of sewing machines which may be used expand their personal knowledge on sewing.

Project (s): Students will have the individual choice to follow a structured project or bring in a personal project. The structured project will be completed at the end of the class.
