

ASSOCIATE IN APPLIED SCIENCE (A.A.S) AWC ADVISEMENT CHECK SHEET

To help you decide upon which courses to include in both the major and elective blocks, you and your Academic Advisor should consult the university transfer guides for specific required and recommended courses; the university transfer guides can be found at www.aztransfer.com.

FIRE SCIENCE

Student Name	ID #	Advisor	Major Code: AAS.FIRSC
			Credits: 64

Designed for individuals who desire a career in fire science. Beyond being a professional firefighter, the degree will assist in qualifying individuals for related occupations such as building inspector, rescue specialist, and hazardous materials specialist. For the employed firefighter, this degree can be an asset in seeking promotion within fire science.

MAT 121	Intermediate Algebra OR approved higher level math	4				
Arts/Humanities (3 credits)						
Social and Behavioral Sciences (3 credits)						
Physical and Biological Sciences (4 credits)						
Additional Courses (2 credits)						

***Dual Application of Courses** is the sharing of coursework between the AGEC and major or program requirements which allows the student to meet both requirements with a single course. Students must still meet the required number of credits to satisfy the program or degree. This dual application of courses gives students the opportunity to include additional course work under general electives.

List any courses used to satisfy program or degree credits due to dual application:		Cr	Gr	Sem	App*	Notes

* Upon instructor approval FSC 105 may be used to satisfy one or more major and/or departmental course requirements
