--	--	--	--	--	--	--

Physical and Biological Sciences (4 credits)

Additional Courses (2 credits)

--	--	--	--	--	--	--

**\*Dual Application of Courses** is the sharing of coursework between the AGEC and major or program requirements which allows the student to meet both requirements with a single course. Students must still meet the required number of credits to satisfy the program or degree. This dual application of courses gives students the opportunity to include additional course work under general electives.

List any courses used to satisfy program or degree credits due to dual application:	Cr	Gr	Sem	App*	Notes
-------------------------------------------------------------------------------------	----	----	-----	------	-------
