CHM 152	General Chemistry II SUN#	4				

Additional Courses - (6 credits)						

General Electives- (8 credits)		Cr	Gr	Sem	App*	Notes
PLS 100	Introduction to Plant Biology	4				
BIO 181	General Biology SUN#	4				

***Dual Application of Courses** is the sharing of coursework between the AGEC and major or program requirements which allows the student to meet both requirements with a single course. Students must still meet the required number of credits to satisfy the program or degree. This dual application of courses gives students the opportunity to include additional course work under general electives.

List any courses used to satisfy program or degree credits due to dual application:		Cr	Gr	Sem	App*	Notes

One cultural (C) course and one global (G) or historical (H) course are required. Two writing intensive (WI) courses are required. ENG 101 is a prerequisite for all WI courses. Consult the current catalog for a list of approved courses.
