This program provides the opportunity for students to complete the lower division (freshman and sophomore) requirements, preparatory to specialization in appropriate fields, in general education and business subjects, for transfer to a university. The students should study carefully and discuss with their advisors the following statement of policy promulgated by the Colleges of Business Administration in the three Arizona state universities regarding transfer credits from community colleges. See catalog for more information.

**\*Dual Application of Courses** is the sharing of coursework between the AGEC and major or program requirements which allows the student to meet both requirements with a single course. Students must still meet the required number of credits to satisfy the program or degree. This dual application of courses gives students the opportunity to include additional course work under general electives.

One cultural (C) course and one global (G) or historical (H) course are required. Two writing intensive (WI) courses are required. ENG 101 is a prerequisite for all WI courses. Consult the current catalog for a list of approved courses.
