**Join experts who are driving meaningful change and be part of the
conversations that are reshaping our communities.**

Presenting our highly anticipated Healthcare Symposium, Research Transforming Communities (RTC), with the theme "Empowering Health." This year we are focusing on shining a light on the incredible work happening in behavioral health and family medicine, two fields that are central to the well-being of individuals and communities.

Who should attend:

- Physicians
- Advanced practice professionals
- Medical residents
- Nurses and healthcare professionals
