

Considering a Career in Nursing?

For current information regarding admission criteria and the application process attend a virtual BSN information session.

We offer a challenging and rewarding nursing program that takes place in multiple learning environments that reflect the standards of professional healthcare.

With expert faculty, real-world clinical training, and a commitment to culturally responsive care, you will graduate ready to make a difference.

Our program trains nurses who are ready to bridge gaps in access, equity, and outcomes; you will be guided by mentors who understand the balance of science, empathy, and resilience.
