

“Brave the Wild River is an evocative and beautifully written chronicle of botanists Elzada Clover and Lois Jotter’s history-making journey through the Grand Canyon in the summer of 1938. Driven by boundless curiosity and determination, Clover and Jotter set out with an ambitious but relatively inexperienced expedition leader and three amateur boatmen, eager to “botanize” the beautiful and bizarre plant life of this little-known corner of the American West.”

Join author **MELISSA L SEVIGNY** for a community discussion, followed by Q & A and book signings, when she visits Yuma on **Thursday, March 21, 2024.**

2:00-3:00 p.m.

AZ Western College/Northern AZ University
MAC Lecture Hall #106
