### CARPENTRY

<b>Student Name</b>	<b>ID #</b>	<b>Advisor</b>	<b>Major Code: CERT.CARPT</b> <b>Credits: 32</b>
---------------------	-------------	----------------	---

The certificate in carpentry prepares the student for an entry level position in the construction industry. This program provides opportunities for students to learn construction technology used to erect, install and repair structures with modern construction materials and techniques. This program focuses on blueprint reading, construction project estimating, and safety practices.
