### Video Game Software Development

|              |      |         |                                      |
|--------------|------|---------|--------------------------------------|
| Student Name | ID # | Advisor | Major Code: CERT.GMEST<br>Credits: 5 |
|--------------|------|---------|--------------------------------------|

Provides graduates with the entry level skill needed for a career in video game software development. Students are familiarized with object oriented programming and either Java or Python development language. This certification expands on the skills learned in the Beginning Video Game Design certificate.

| Required Major Courses (5 Credits) |  | Cr | Sem | Notes |
|------------------------------------|--|----|-----|-------|
| GME-120                            | Object Oriented Programming Fundamentals | 2  |     |       |
| GME-122                            | Python Programming <b>OR</b>             | 3  |     |       |
| GME-124                            | Java Game Programming                    | 3  |     |       |
