

ASSOCIATE IN APPLIED SCIENCE (A.A.S) AWC ADVISEMENT CHECK SHEET

To help you decide upon which courses to include in both the major and elective blocks, you and your Academic Advisor should consult the university transfer guides for specific required and recommended courses; the university transfer guides can be found at www.aztransfer.com.

ACCOUNTING

Student Name	ID #	Advisor	Major Code: AAS.ACCT
			Credits: 64

This degree program is designed for students seeking a two-year vocational degree. A variety of accounting along with complementary business and general education courses will guide the student to establish a clearly focused foundation to enter the accounting profession in a wide range of positions. Students can utilize this degree program to continue their accounting education. Please review each University's requirements.

***Dual Application of Courses** is the sharing of coursework between the AGEC and major or program requirements which allows the student to meet both requirements with a single course. Students must still meet the required number of credits to satisfy the program or degree. This dual application of courses gives students the opportunity to include additional course work under general electives.

List any courses used to satisfy program or degree credits due to dual application:		Cr	Gr	Sem	App*	Notes
