2025-2026 ASSOCIATE IN APPLIED SCIENCE (A.A.S) AWC ADVISEMENT CHECK SHEET

To help you decide upon which courses to include in both the major and elective blocks, you and your advisor should consult university requirements (aztransfer.com) for specific required and recommended courses. Sign in to your <u>Self-Service Student Planning</u> account to load the recommended program map and to track your academic progress.

DRAFTING CAD TECHNOLOGY					
Student Name	ID #	Advisor	Major Code: AAS.DFT Credits: 64		

This program prepares graduates for an entry-level position in the career field of drafting and pre-architecture in preparation for an architectural program at an university.

*Dual Application of Courses is the sharing of coursework between the AGEC and major or program requirements which allows the student to meet both requirements with a single course. Students must still meet the required number of credits to satisfy the program or degree.

List any courses used to satisfy program or degree credits due to dual application and or courses that satisfy the Cultura (C) and Global (G) or Historical (H), or Writing Intensive (WI) awareness areas.
