

ASSOCIATE IN ARTS (A.A) AWC ADVISEMENT CHECK SHEET

To help you decide upon which courses to include in both the major and elective blocks, you and your advisor should consult university requirements for specific required and recommended courses.

Animal Production				
Student Name	ID #	Advisor	Major Code: AA.ANPRO Credits: 66	

Students preparing for transfer to a four-year college of agriculture will find the necessary required courses in agriculture, science, mathematics, and related subject areas available to them and will be advised by the agriculture faculty.

For a recommended sequence of courses, view the program map in Self-Service or contact an Advisor.

Required Major Courses (15 Credits)		Cr	Gr	Sem	App*	Notes

Additional Courses - (6 credits)						
General Electives- (8 credits)		Cr	Gr	Sem	App*	Notes
PLS 100	Plant Science	4				
BIO 181	General Biology	4				

***Dual Application of Courses** is the sharing of coursework between the AGEC and major or program requirements which allows the student to meet both requirements with a single course. Students must still meet the required number of credits to satisfy the program or degree. This dual application of courses gives students the opportunity to include additional course work under general electives.

List any courses used to satisfy program or degree credits due to dual application:	Cr	Gr	Sem	App*	Notes

One cultural (C) course and one global (G) or historical (H) course are required. Two writing intensive (WI) courses are required. ENG 101 or 107 is a prerequisite for all WI courses. Consult the current catalog for a list of approved courses.
