

ASSOCIATE IN SCIENCE (A.S) AWC ADVISEMENT CHECK SHEET

To help you decide upon which courses to include in both the major and elective blocks, you and your advisor should consult university requirements for specific required and recommended courses.

Associate in Science			
Student Name	ID #	Advisor	Major Code: AS.ASSOC Credits: 60-64

This program is designed for students who are undecided about a university major. Create a block of credits (to meet the required 64 credit program minimum) which are transferable to any of the three state public universities in Arizona and complete the course requirements in the AGEC-S. The selection of these courses (numbered 100 or higher) ought to be made in consultation with an academic or faculty advisor and by consulting the Course Equivalency Guide (CEG) (www.aztransfer.com). Students should select courses based on exploring various fields of interests.

Electives - complete enough courses to meet program requirements	Cr	Gr	Sem	App*	Notes

General Education Requirements (37-39 Credits)	Cr	Gr	Sem	App*	Notes
See the AGEC-S course list in the current catalog for selection of courses.					
For a recommended sequence of courses, view the program map in Self-Service or contact an Advisor.					

English Composition (6 credits)
--

ENG 101 Freshman Composition	3				
ENG 102 Freshman Composition	3				

Mathematics (5 credits)

MAT 220 Calculus I with Analytic Geometry or approved higher level math	5				
<i>MAT 220 prerequisite: MAT 150 and MAT 183 or MAT 151 and MAT 183 or MAT 187</i>					

Arts/Humanities - Select at least one course from the Arts list and at least one course from the Humanities list. (6 credits)
--

Arts:					
Humanities:					

Social and Behavioral Sciences (6 credits)

Physical and Biological Sciences - Select one of the following sequences (8 credits):
--

BIO 181/182, CHM 151/152, GLG 101/102, or PHY 121/131

<i>CHM 151 prerequisite: MAT 150 or MAT 151 or approved higher level math</i>

<i>PHY 121 prerequisite/corequisite: MAT 220/MAT 230</i>
--

<i>PHY 131 prerequisite/corequisite: PHY 121 and MAT 230/MAT 241</i>
--

Additional Courses (6-8 credits)

***Dual Application of Courses** is the sharing of coursework between the AGEC and major or program requirements which allows the student to meet both requirements with a single course. Students must still meet the required number of credits to satisfy the program or degree. This dual application of courses gives students the opportunity to include additional course work under general electives.

List any courses used to satisfy program or degree credits due to dual application:	Cr	Gr	Sem	App*	Notes

One cultural (C) course and one global (G) or historical (H) course are required. Two writing intensive (WI) courses are required. ENG 101 is a prerequisite for all WI courses. See the current catalog for a list of approved courses.
