*Dual Application of Courses is the sharing of coursework between the AGEC and major or program requirements which allows the student to meet both requirements with a single course. Students must still meet the required number of credits to satisfy the program or degree. This dual application of courses gives students the opportunity to include additional course work under general electives.

[^0] 101 or 107 is a prerequisite for all WI courses. Consult the current catalog for a list of approved courses.

[^0]:    One cultural (C) course and one global (G) or historical (H) course are required. Two writing intensive (WI) courses are required. ENG
