Section:	Student Services	Subject:	Public Access and Expression on College Property

PURPOSE

This procedure is to reasonably regulate the use of Arizona Western College's campus by outside speakers to ensure that the campus is available primarily for Arizona Western College students, faculty and staff for educational purpose and in accordance to ARS §15-1861-1869.

The appropriate College Cabinet member or designated representative is responsible for establishing the appropriate practice of public access and expression on College property.
