PURPOSE

The College encourages the formation of and participation in student clubs and organizations.

PROCEDURE

1. All clubs and organizations must be chartered through Arizona Western College.
2. All clubs and organizations operate under their own constitution with the supervision of an advisor who must be a College employee.
3. All clubs and organizations must abide by college established procedures by Arizona Western College. Additional rules and regulations are provided in the club advisor manual.
4. All clubs and organizations are independently funded via club fund raisers and events.
5. Information about chartering a club or organization is available in the Office of Campus Life and posted on the College's website.
