PIT 111 UX Design

Credit Hours: 4 LEC 3, LAB 2

PREREQUISITE: NONE

COURSE DESCRIPTION

This course is designed to prepare learners for a career in the high-growth field of UX Design. Students will gain in-demand skills preparing them for entry-level jobs in UX Design.

1. COURSE GOAL

User Experience design is a design that is user-centered. The goal is to design artifacts that allow the users to meet their needs in the most effective, efficient, and satisfying manner along with creating a user interface that is both usable and pleasing to the eye. Additionally, it provides positive experiences that keep users loyal to the product or brand while keeping your website most conducive to business success.

This course is Open Entry/Open Exit (OE/OE).

2. OUTCOMES

Upon satisfactory completion of this course, students will be able to:

- 2.1 Implement the design process; empathize with users, define pain points, ideate solutions, create wireframes and prototypes, and test and iterate on designs.
- 2.2 Demonstrate the basics of UX Research, like planning research studies, conducting interviews and usability studies, and synthesizing research results.
- 2.3 Apply foundational UX concepts, like user-centered design, accessibility, and equity-focused design.
- 2.4 Create a professional UX Portfolio that includes three end-to-end projects: a mobile app, a responsive website, and a cross-platform experience.

6. STUDENT RESPONSIBILITIES

- 6.1 Under AWC Policy, students are expected to attend every session of class in which they are enrolled.
- 6.2 Classroom Assignments: Students are responsible for the work missed and for completing all work before the next class meeting. Students are responsible for participating in all oral drills and for taking all exams.
- 6.3 If a student is unable to attend the course or must drop the course for any reason, it will be the responsibility of the student to withdraw from the course. Students who are not attending as of the 45th day of the course may be withdrawn by the instructor. If the student does not withdraw from the course and fails to complete the requirements of the course, the student will receive a failing grade.
- 6.4 Americans with Disabilities Act Accommodations: Arizona Western College provides academic accommodations to students with disabilities through AccessABILITY Resource Services (ARS). ARS provides reasonable and appropriate accommodations to students who have documented disabilities. It is the responsibility of the student to make the ARS Coordinator aware of the need for accommodations in the classroom prior to the beginning of the semester. Students should follow up with their instructors once the semester begins. To make an appointment call the ARS front desk at (928) 344-7674 or ARS Coordinator at (928) 344-7629, in the College Community Center (3C) building,

next to Advising.

- 6.5 Academic Integrity: Any student participating in acts of academic dishonesty including, but not limited to, copying the work of other students, using unauthorized “crib notes”, plagiarism, stealing tests, or forging an instructor’s signature—will be subject to the procedures and consequences outlined in AWC’s Student Code of Conduct.
- 6.6 Textbooks and materials: Students are required to bring a notebook or loose-leaf book, pens, pencils, dictionaries, and purchase textbooks required for class.
- 6.7 Arizona Western College students are expected to attend every class session in which they are enrolled. To comply with Federal Financial Aid regulations (34 CFR 668.21), Arizona Western College (AWC) has established an Attendance Verification process for "No Show" reporting during the first 10 days of each semester.

Students who have enrolled but have never attended class may be issued a “No Show” (NS) grade by the professor or instructor and receive a final grade of “NS” on their official academic record. An NS grade may result in a student losing their federal financial aid.

For online classes, *student attendance in an online class is defined as the following* (FSA Handbook, 2012, 5-90):

- Submitting an academic assignment
- Taking an exam, an interactive tutorial or computer-assisted instruction
- Attending a study group that is assigned by the school
- Participating in an online discussion about academic matters
- Initiating contact with a faculty member to ask a question about the academic subject studied in the course
