

Phlebotomy Technician Application Instructions

1. **Enrollment for admission to AWC must be completed if:**
 - a. You are a new student to Arizona Western College
 - b. You are a former AWC student and have not taken classes in the past 12 months.
 - i. Note: this is a separate enrollment process from the phlebotomy technician application.
2. **Click on the “Phlebotomy Technician Application” link on the phlebotomy technician program’s website to access the online application.**
 - a. This link will only be active during the application submission periods.
 - b. Deadline to submit your completed application is at 4pm on the given deadline date.
 - i. Please check the website for the application deadline date
 - c. You will need to use your AWC email address and login credentials to access the phlebotomy technician application.
 - d. Answer all questions completely.
 - e. All requested documents must be signed and uploaded prior to submitting the application.
3. All documents must be in **PDF** format
4. **Application Eligibility (To be completed BEFORE turning in application):** In order to be eligible to apply for the AWC Phlebotomy Technician Program the student must:
 - a. Attend at least one Phlebotomy Information Session: Sessions are held periodically throughout each semester – visit <https://www.azwestern.edu/degrees-and-certificates/phlebotomy-technician> or via the QR code shown below to find dates and times. Information session details will be located in the “Important Phlebotomy Technician Announcements” section. Info session attendance is only good for 6 months. If you attended an information session greater than 6 months ago, you would have to attend another one. Be sure to show your name in the zoom room so that you can be credited for attending.
5. Here is a list of the documents that you will need to upload.
 - a. Reading Competency Requirement.
 - i. Completed and passed with a grade of C or higher in ENG 090, ENG 101, or ENG 107 **OR** take an Accuplacer Reading Test and score 219 or higher
 - ii. Submit your AWC unofficial transcript OR your Accuplacer test results within the online Phlebotomy Technician Application.
